PART I - FINANCIAL INFORMATION

ITEM 1. FINANCIAL STATEMENTS.

For financial information, please see the financial statements and the notes thereto, attached hereto and incorporated by this reference.

The financial statements have been adjusted with all adjustments which, in the opinion of management, are necessary in order to make the financial statements not misleading.

The financial statements have been prepared by Quikbyte Software, Inc. with a review pursuant to the rules and regulations of the Securities and Exchange Commission. Certain information and footnotes disclosures normally included in financial statements prepared in accordance with generally accepted accounting principles have been condensed or omitted as allowed by such rules and regulations, and management believes that the disclosures are adequate to make the information presented not misleading. These financial statements include all the adjustments which, in the opinion of management, are necessary for a fair presentation of financial position and results of operations. All such adjustments are of a normal and recurring nature. These financial statements should be read in conjunction with the audited financial statements at December 31, 2004, included in the Company's Form 10-KSB.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors
Quikbyte Software, Inc.

We have reviewed the accompanying balance sheet of Quikbyte Software, Inc., a development stage company, as of June 30, 2005 and the related statements of operations for the three-months and six-months ended June 30, 2005, and the statements of cash flows for the six-months ended June 30, 2004 and from inception (July 2, 1997) to June 30, 2005. These financial statements are the responsibility of the Company's management.

We conducted our review in accordance with standards established by the Public Company Accounting Oversight Board (United States). A review of interim financial information consists principally of applying analytical procedures to financial data and making inquiries of persons responsible for financial and accounting matters. It is substantially less in scope than an audit conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States), the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements for them to be in conformity with accounting principles generally accepted in the United States.

The accompanying financial statements have been prepared assuming that the Company will continue as a going concern. As discussed in Note 1, conditions exist which raise substantial doubt about the Company's ability to continue as a going concern. The financial statements do not include any adjustments that might result from the outcome of this uncertainty.

QUIKBYTE SOFTWARE, INC.
(A Development Stage Company)
Notes to Financial Statements
June 30, 2005

Note 1 - Presentation of Interim Information:

In the opinion of the management of Quickbyte Software, Inc., the accompanying unaudited financial statements include all normal adjustments considered necessary to present fairly the financial position as of June 30, 2005 and the results of operations for the three and nine-months ended June 30, 2005 and 2004 and for the period from January 26, 1989 (inception) to June 30, 2005, and cash flows for the six-months ended June 30, 2005 and 2004, and for the period from January 26, 1989 (inception) to June 30, 2005. Interim results are not necessarily indicative of results for a full year.

The financial statements and notes are presented as permitted by Form 10-QSB, and do not contain certain information included in the Company's audited financial statements and notes for the fiscal year ended December 31, 2004.

Note 2 - Going Concern:

The Company's financial statements have been presented on the basis that it is a going concern, which contemplates the realization of assets and the satisfaction of liabilities in the normal course of business.

The Company is in the development stage and has not earned any revenue from operations. The Company's ability to continue as a going concern is dependent upon its ability to develop additional sources of capital or locate a merger candidate and ultimately, achieve profitable operations. The accompanying financial statements do not include any adjustments that might result from the outcome of these uncertainties. Management is seeking new capital to revitalize the Company.

Note 3 - Note Payable - Related Party:

The note payable in the amount of \$9,547 is payable to an officer of the Company including interest at 8% per annum, due on demand. These funds were advanced to pay Company expenses.

ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS
OF OPERATIONS

Cautionary and Forward Looking Statements

In addition to statements of historical fact, this Form 10-QSB contains forward-looking statements. The presentation of future aspects of Quikbyte Software, Inc. ("Quikbyte Software," the "Company" or "issuer") found in these statements is subject to a number of risks and uncertainties that could cause actual results to differ materially from those reflected in such statements. Readers are cautioned not to place undue reliance on these forward-looking statements, which reflect management's analysis only as of the date hereof. Without limiting the generality of the foregoing, words such as "may," "will," "expect," "believe," "anticipate," "intend," or "could" or the negative variations thereof or comparable terminology are intended to identify forward-looking statements.

These forward-looking statements are subject to numerous assumptions, risks and uncertainties that may cause Quikbyte Software, Inc. actual results to be materially different from any future results expressed or implied by Quikbyte Software in those statements. Important facts that could prevent Quikbyte Software from achieving any stated goals include, but are not limited to, the following:

Some of these risks might include, but are not limited to, the following:

- (a) volatility or decline of the Company's stock price;
- (b) potential fluctuation in quarterly results;
- (c) failure of the Company to earn revenues or profits;
- (d) inadequate capital to continue or expand its business, inability to raise additional capital or financing to implement its business plans;
- (e) failure to commercialize its technology or to make sales;
- (f) rapid and significant changes in markets;
- (g) litigation with or legal claims and allegations by outside parties;
- (h) insufficient revenues to cover operating costs.

There is no assurance that the Company will be profitable, the Company may not be able to successfully develop, manage or market its products and services, the Company may not be able to attract or retain qualified executives and technology personnel, the Company's products and services may become obsolete, government regulation may hinder the Company's business, additional dilution in outstanding stock ownership may be incurred due to the issuance of more shares, warrants and stock options, or the exercise of warrants and stock options, and other risks inherent in the Company's businesses.

The Company undertakes no obligation to publicly revise these forward-looking statements to reflect events or circumstances that arise after the date hereof. Readers should carefully review the factors described in other documents the Company files from time to time with the Securities and Exchange Commission, including the Quarterly Reports on Form 10-QSB and Annual Report on Form 10-KSB filed by the Company in 2004 and any Current Reports on Form 8-K filed by the Company.

ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS

OF OPERATIONS

RESULTS OF OPERATIONS FOR QUARTER ENDED JUNE 30, 2005 COMPARED TO SAME PERIOD ENDED JUNE 30, 2004.

The Company had no revenues from operations in the period in 2005 or 2004. The Company incurred no expenses in the period in 2005 or in 2004 and had a loss of (\$191) in the quarter in 2005 and 2004 from interest accrual. The loss per share was nominal in the quarter in 2005 and in 2004.

RESULTS OF OPERATIONS FOR SIX MONTHS ENDED JUNE 30, 2005 COMPARED TO SAME PERIOD ENDED JUNE 30, 2004.

The Company had no revenues from operations in the period in 2005 or 2004. The Company incurred no expenses in the period in 2005 or in 2004 and had losses of (\$382) in 2005 compared to (\$382) in 2004 from interest accrual. The loss per share was nominal in the six month period in 2005 and in the period in 2004.

The company expects the trend of losses to continue at the current rate as the company seeks a business combination.

LIQUIDITY AND CAPITAL RESOURCES

The Company had no cash capital at the end of the period and no other assets. The Company will be forced to either borrow or make private placements of stock in order to fund operations. No assurance exists as to the ability to achieve loans or make private placements of stock.

NEED FOR ADDITIONAL FINANCING

The Company does not have capital sufficient to meet the Company's cash needs, including the costs of compliance with the continuing reporting requirements of the Securities Exchange Act of 1934. The Company will have to seek loans or equity placements to cover such cash needs. In the event the Company is able to complete a business combination during this period, lack of its existing capital may be a sufficient impediment to prevent it from accomplishing the goal of completing a business combination. There is no assurance, however, that without funds it will ultimately allow registrant to carry out its business

The Company will need to raise additional funds to conduct any business activities in the next twelve months.

No commitments to provide additional funds have been made by management or other stockholders. Accordingly, there can be no assurance that any additional funds will be available to the Company to allow it to cover its expenses as they may be incurred.

Irrespective of whether the Company's cash assets prove to be inadequate to meet the Company's operational needs, the Company might seek to compensate providers of services by issuances of stock in lieu of cash.

"GOING CONCERN" QUALIFICATION

The Company's auditor has issued a "going concern" qualification as part of his opinion in the Audit Report. There is substantial doubt about the ability of the Company to continue as a "going concern." The Company has no business, limited capital, debt in excess of \$340,000, all of which is current, no cash, nominal other assets, and no capital commitments. The effects of such conditions could easily be to cause the Company's bankruptcy.

Management hopes to develop its business plan and will need, at which to seek and obtain funding, via loans or private placements of stock for operations debt and to provide working capital. Management had plans to seek capital in the form of loans or stock private placements in the next quarter of approximately \$50,000. No commitments exist or existed for any funding.

ITEM 3. CONTROLS AND PROCEDURES

a. Evaluation of Disclosure Controls and Procedures:

Disclosure controls and procedures are designed to ensure that information required to be disclosed in the reports filed or submitted under the Exchange Act is recorded, processed, summarized and reported, within the time period specified in the SEC's rules and forms. Disclosure controls and procedures include, without limitation, controls and procedures designed to ensure that information required to be disclosed in the reports filed under the Exchange Act is accumulated and communicated to management, including the Chief Executive Officer/Chief Financial Officer, as appropriate, to allow timely decisions regarding required disclosure. As of the end of the period covered by this report, June 30, 2005, the Company carried out an evaluation, under the supervision and with the participation of the Company's management, including the Company's Chief Executive Officer/Chief Financial Officer, of the effectiveness of the design and operation of the Company's disclosure controls and procedures. Based upon and as of June 30, 2005 the date of that evaluation, the Chief Executive Officer and Chief Financial Officer concluded that the Company's disclosure controls and procedures are effective to ensure that information required to be disclosed in the reports the Company files and submits under the Exchange Act is recorded, processed, summarized and reported as and when required.

b. Changes in Internal Control over Financial Reporting:

There were no changes in the Company's internal control over financial reporting identified in connection with the Company evaluation of these controls as of the end of the period covered by this report June 30, 2006 that could have affected those controls subsequent to the date of the evaluation referred to in the previous paragraph, including any correction action with regard to deficiencies and material weakness.

In connection with the Quarterly Report of Quikbyte Software, Inc. (the "Company") on Form 10-QSB (the "Report") for the period ended June 30, 2005 as filed with the Securities and Exchange Commission on the date hereof. I, Reed Clayson, Acting Chief Executive Officer of the Company, certify, pursuant to 18 U.S.C. Section 1350, as adopted pursuant to section 302 of the Sarbanes-Oxley Act of 2002, that to the best of my knowledge and belief:

1. I certify that I have reviewed the 10-QSB of Quikbyte Software, Inc.;

2. Based on my knowledge, the Report does not contain any untrue statement of a material fact or omit a material fact necessary to make the statements made, in light of the circumstances under which such statements were made, not misleading with respect to the period covered by the Report;

3. Based on my knowledge, the financial statements and other financial information included in the Report fairly present in all material respects the financial condition, results of operations, and cash flows of the issuer, as of, and for, the period presented in the Report;

4. The small business issuer's, other certifying officers, and I are responsible for establishing and maintaining disclosure controls and procedures (as such term is defined in Exchange Act Rules 13a-15(e) and 15d-15(e) and internal control over financial reporting as defined in Exchange Act Rules 13a-15f and 15d-15f for the small business issuer and have:

a. Designed such disclosure controls and procedures or caused such disclosure controls and procedures to be designed under our supervision to ensure that material information relating to the small business issuer, including its consolidated subsidiaries, is made known to us by other within those entities, particularly during the period in which this Report is being prepared;

b. Designed such internal control over financial reporting, or caused such internal control over financial reporting to be designed under our supervision, to provide reasonable assurance regarding the reliability of financial reporting, and the preparation of financial statements for external purposes in accordance with generally accepted accounting principals;

c. Evaluted the effectiveness of the small business issuer's disclosure controls and procedures and presented in this Report our conclusions about the effectiveness of the disclosure controls and procedures, as of the end of the period covered by this Report based on such evaluation; and

d. Disclosed in this report any change in the small business issuer's internal control over financial reporting that occurred during the small business issuer's most recent fiscal quarter (the small business issuer's fourth fiscal quarter in the case of an annual report) that has materially affected, or is reasonably likely to materially affect, the small business issuer's internal control over financial reporting; and

5. The small business issuer's, other certifying officers, and I have disclosed, based on our most recent evaluation of internal control over financial reporting, to the small business issuer's auditors and the audit committee of the small business issuer's Board of Directors (or persons fulfilling the equivalent function);

a. All significant deficiencies in the design or operation of internal control over financial reporting, which are reasonably likely to adversely affect the small business issuer's ability to record, process, summarize, and report financial information; and

b. Any fraud, whether or not material, that involves management or other employees who have a significant role in the small business issuer's internal control over financial reporting.
